Sub-panel 12: Engineering

Where required, specialist advisers have been appointed to the REF sub-panels to provide advice to the REF sub-panels on outputs in languages other than English, and / or English-language outputs in specialist areas, that the panel is otherwise unable to assess. This may include outputs containing a substantial amount of code, notation or technical terminology analogous to another language.

In addition to these appointments, specialist advisers will be appointed for the assessment of classified case studies and are not included in the list of appointments.
